TEN CENTS

Contract Is Let For Center

Mires Baby Born First

Mister Stork arrived January 4 to deliver the first baby born at Neblett Memorial Hospital during 1967.

The infant boy was born to Mr. and Mrs. Bill Mires at 1:25 a.m. He weighed 8 pounds two ounces on arrival and has been named William Douglas.

The wee tyke, who has won a bevy of prizes from local merchants, is the first child of the Mires. The father is a senior physical education major at West Texas State University.

Grandparents are Mr. and Mrs. Lewis Johnson of Hamlin and the late Mr. and Mrs. W. L. Mires of Lamesa.

An annual event, the only rules governing the "first baby contest" were that the child be born in Canyon, that the parents live in Randall County, and that the exact time of birth be confirmed by the attending physician.

W.C. Angel Grand Jury Foreman

Wayland C. Angel was appointed foreman of the new grand jury which was impaneled Monday.

He was appointed by District Judge E. E. "Gene" Jordan. Angel is a former Randall County Judge.

Others impaneled from Canyon include Russell Altmiller, Charles Hester and Arthur C. Haley, Jr.

Those impaneled from Amarillo were Harold McGee, 6302 (See W. C., Page 5)

WILLIAM DOUGLAS MIRES captures the spotlight as the first baby of 1967 born at Neblett Memorial Hospital. The infant weighed 8 pounds 2 ounces on arrival at 1:25 a.m. January 4. The youngster is shown with his mother, Mrs. Bill Mires.

Livestock Show Entry Deadline Set Monday

Entries for the 20th annual Randall County Junior Livestock Show are due on Monday, January 9, according to announcement from the association president, R. B. Gist, Jr.

All entry blanks must be in the hands of the department superintendents by January 9. Superintendents for the various departments of the show include Paul Dudenhoeffer, beef cattle; Lee Roy Bauer, swine; Ed Wieck, sheep; Charles Gerald, dairy cattle; and R. B. Allen, horses.

The show will be held January 13-14 at the Randall County Junior Livestock Building. Judging events will be held between 1:30 and 4:30 p.m. on Jan. 13 and throughout the day Jan. 14 with the sale at 6:30 p.m. on Saturday concluding the annual event.

All animals must be in place by 5 p.m. the day before the judging begins according to John Brazzil, county agent.

The show is open to all youths of Randall County if their animal raising project has been supervised by the county agent or a vocational agriculture teacher.

First and second place calves, Breed Champions and Reserve Breed Champions in pigs will be eligible to compete for Grand and Reserve Champion judging. No grand champion lamb will be selected. Cash prizes await winners in the various departments. The prizes range from \$10 to \$1. Showmanship trophies will also be awarded in the various departments including trophies for showmanship to exhibitors of steer, heifer, pig, lamb, horse and dairy cattle. Trophies for these class winners will be furnished by the Randall County Farm Bureau.

Other trophies to be awarded will include the Novice Showmanship trophy to a first year exhibitor, presented by the Canyon Kiwanis Club, and the Farmer Schaeffer trophy which is awarded annually to an individual who shows outstanding qualities at the show but does not directly participate in events. All exhibitors must show and sell their own animals, according to (See LIVESTOCK, Page 5)

War Casualty Is Top Story

Canyon last January had its first casualty of the war in Vietnam.

Capt. Donald Blair was ambushed by Vietcong Jan. 8. He was 27 years old at the time of his death.

Captain Blair's death ranks at the head of Canyon's ten top news stories of the year largely because it brought home to the community the fact that this country is involved in a war. The premier of "TEXAS" in the new amphitheatre in Palo Duro Canyon was big news.

The premier was held early in July. "TEXAS" was a smash hit from the first night.

The amphitheatre is operated by the Texas Panhandle Heritage Foundation.

Violence also ranked in the news during 1966. Bill Clifford was charged with the April 8 shooting death of his wife. He also was charged in the shooting of Billy Joe Stevens of Hereford. Stevens was not fatally injured.

Mrs. Clifford was shot at her apartment here in Canyon. Stevens was shot a few minutes later at a Hereford feed lot where he was employed.

Clifford was charged with murder in connection with the death of his wife. He received a change of venue and was tried at Denton on the murder charge. There he was sentenced to two years in prison.

There was a beginning of a trial at Hereford where Clifford (See WAR, Page 5)

Arson Is Suspected In Fire

Arson is suspected as the cause of a fire atop a concrete block building near McCormick Road and the Canyon Expressway at 1:40 a.m. Sunday, according to Fire Captain Joe Rice.

An investigation is underway by the Randall County Sheriff's Department, Rice said, because of evidence that the fire may have been set by an arsonist. The Fire Marshall has no jurisdiction outside the city limits.

Owner of the property is W.R. Manning.

"There was kerosene on the block building, on an old wooden structure and on the ground," said Rice, "but we stopped the spread of the fire."

Firemen battled another blaze at the same location for some 12 hours in November. Arson was also suspected in that incident.

Memberships Available

Memberships in the Randall County Junior Livestock Association will be available until showtime on January 13, according to John Brazzil, county agent.

The memberships are \$5 per person and funds raised will be used to pay premiums at the upcoming junior livestock show, as well as operation of the Association's building in Canyon.

Forrest Gruner and Earl Reynolds are heading the membership drive which is being conducted countywide with workers in each community participating.

Knowles Child Dies In Mishap

Kimberly Kra Knowles, 21/2 years old, daughter of Mr. and Mrs. Eddie Knowles of Canyon, was fatally injured Thursday afternoon of last week in an accident near Plainview.

The little girl fell from the family car. The accident occurred about 3 o'clock at the home of Mrs. Knowles' parents, Mr. and Mrs. Cecil Cox, 7 1/2 miles east of Plainview.

Mrs. Knowles had been visiting her parents and was backing out of the circular driveway at the Cox home. Kimberly Kra had gotten into the front seat of the car and then crawled into the back seat. She leaned against the left rear door. The door came open and the child fell head first onto the frozen driveway.

The car did not pass over the child's body.

Sherry, 8, was in the back seat at the time and another Knowles child, Nicki, 7, was in the front seat with the mother. Mrs. Knowles was leaving the

Project To Cost About \$275,000

Construction is scheduled to begin immediately on Palo Duro Shopping Center in the 900 block of 23rd Street, according to Ruel Nash, Plainview, developer of the project.

Permit for construction of the center was to have been issued Wednesday afternoon. Cost of the project will be in the neighborhood of \$275,000.

The center will have approximately 36,000 square feet of floor space and will house a grocery store, a dry goods store, a variety, an automatic laundry and spaces for several other smaller businesses.

On the south side of the de-

velopment will be an Ideal Supermarket. This store will have 16,800 square feet of floor space on the ground floor. It will have an additional 800 square feet in its upstairs portion.

The Ideal store will have a prescription counter and a delicatessen. The business will have a 140-foot front and a depth of 120 feet.

Allied Supermarkets, owners of Ideal, bought the land and are building their own store but as a unit with the other buildings being constructed, according to Nash.

Just north of the supermarket will be a TG&Y variety store. It will have a 60-foot front and a 120-foot depth.

C. R. Anthony will occupy a floor space of 6,000 square feet. It will have a 50-foot front and a depth of 120 feet.

A Maytag automatic laundry will occupy 1800 square feet on the northeast corner of the project. The laundry will front on Ninth Avenue. Some 4200 (See PROJECT, Page 5)

Court Pays Installment

Randall County commissioners Monday paid the first of three \$3,000 installments to Amarillo Medical Center.

The same amount will be set up for payment in 1967 and 1968.

The city of Canyon authorized payment of \$500 to the center in 1967 but city commissioners will decide on the amounts, if any, to be contributed the two following years.

County commissioners Monday also approved bonds for 14 county officials.

The court made Judge Lloyd King agent in requesting that (See COURT, Page 5)

W. E. "BILL" ADAMS

Adams Begins Duties At Bank

W. E. "Bill" Adams has assumed duties as president of Canyon First National Bank. Levi Cole, formerly First National president, has been promoted to chairman of the board.

Bill is 42 years old. He is a native of Clarendon. As a young boy he moved to Amarillo with his parents. His father was in the cattle and livestock business.

Registration Going Slowly

Approximately 950 residents of Randall County have registered to vote in 1967 elections.

Deadline for the free voter registrations is Jan. 31 at 5 p.m. Sign-ups began Oct. 1.

To qualify for voting, those who will be 21 years of age by the time of the 1967 elections must register by the deadline date.

The new procedure is part of the newly adopted 1966 Texas Voter Registration Law.

He attended high school in Pampa and played football for the Harvesters. He was graduated in 1940 from Pampa High School.

He attended Texas Tech before going into the US Air Force as a pilot. He was discharged as a captain in 1945.

Upon being discharged he entered the University of Texas. He left the university and went to work for the State Comptroller's Office. He later moved to Dallas and went to work for Landers, Frary and Clark, a manufacturing company. He was employed there until 1955 when he went into business for himself. He was interested in investments and land development.

He was associated, over a period of years, with A. W. Lair and Dale Williams. Both Lair and Williams later, along with Hosea Foster and Jack Taylor, purchased Con-

District Cage Play To Begin

Canyon High School opens play in District 1-AAA by hosting the varsity boys and girls teams of the Perryton Rangers in CHS Gymnasium on Friday evening, Jan. 6.

Following the girls' clash, the Eagle boys will for the first time defend the district crown that they won last year over Tulla in the final loop game of the season, while seeking to im-

Tryouts Saturday For Bands

All-state tryouts for bandsmen of Region I will be conducted Saturday, Jan. 7, at the Fine Arts Building at West Texas State University beginning at 9 a.m.

Bandsmen from as far south as Lubbock and encompassing the northern Panhandle will be in Canyon for the morning tryouts. Top instrumentalists from each division will progress to the area tryouts to be held in Lubbock on January 28 according to Don Baird, tryout coordinator.

Wind instrument instructors from WTSU, Texas Technological College and Amarillo Junior College will hold the auditions according to Gary Zook, CHS band instructor, and chairman of the tryouts.

prove their current 5-8 season record.

Mike Barnes is the current scoring leader for the Eagles, averaging 17.3 points a game. Joe Moore is close behind with a 13.2 pace. Ricky Widick has been instrumental in directing the Eagle offense while still managing 6.6 points a game. Despite the presence of these talented individuals, the Eagles appear to be more of a teamwork team than a team noted for individuals.

Top players for Coach Ray Pennington's Rangers, according to Panhandle Basketball Preview, are five seniors: 6-2 Charles McLarty, 6-0 Joe Brillhart, 5-10 Mike Hargrove, 6-1 Duane Pahigoda, and 6-0 Don Jones. Perryton has not been expected to contend for the loop championship, but preseason predictions mean nothing once play gets underway.

The girls' tip off at 6:30 p.m., and the boys go at 8.

Our greatest compassion is for him who makes one fumble and handicaps himself for his whole life.

LEM POUNDS, left, is shown here chatting his badge to retire this week. He is 75 years with his boss, L. S. "Slim" Johnston. Pounds, old. (See story Page 2.) after 41 years in law enforcement, turned in

Cage Champs Invade Buffalo Land Tuesday

BY JON LOW

The defending national collegiate basketball champions, the Texas Western Miners of El Paso, invade Canyon Tuesday night for a clash with the Buffaloes of West Texas State at 8

Residential Building Off

Total dollars spent for building in Canyon for 1966 surpassed figures for 1965 by more than one million.

A total of \$4,822,864 for 1966 was spent in comparison to \$3,042,619 for 1965, said E. A. Collier, city building inspector.

Residential building for 1966 was 16 permits below the pre-

p.m. in Buffalo fieldhouse.

Paced by all-American candidates Bobby Joe Hill and David Lattin, Texas Western returns five of the top seven players that carried the Miners to a 72-65 upset over heavily favored Kentucky in the finals of the NCAA Championships at College Park, Md. last year, to climax a brilliant 28-1 season.

Under the stern guidance of Coach Don Haskins, the Miners have posted a 108-26 record since Haskin arrived in El Paso after successful stints at high school coaching in the Texas Panhandle. Haskins took both Dumas and Hedley, Tex., to the state tournament before going to El Paso.

The man who can make the

Miners click is last year's all-American Bobby Joe Hill, a 5-10 guard, whom sports information director Eddie

Alabama has nothing on Texas. We were first to have a woman governor. She was Miriam A. "Ma" Ferguson. Ma was twice elected governor—once in 1924 and again in 1932. Lurleen Wallace is the new governor of Alabama. Like Ma, she is the wife of a former governor. She succeeds her husband, George Wallace. Ma's husband, James E. Ferguson, had been elected governor for two terms—in 1914 and again in 1916. He was impeach-

New Robot Car Wash Facilities Available To Canyon Soon

The customer stays in his car while Robot automatically circles the car four times in only two minutes.

From the driver's seat the customer deposits 50¢ (two quarters or one half dollar) to wash and an extra quarter to jet spray wax.

Two hot and soapy soft water wash cycles rid the car of dirt and are followed by two cold and clear soft water rinse cycles that deter hard water streaking and spotting. In Robot the water is sprayed through nozzles at 600 PSI (Pounds per square inch) To clean every square inch of the car. In just two minutes the satisfied customer drives away to air dry his car. Optional vacuum and chamois facilities are available.

HUB-3785

ed in 1917 and a Texas Supreme Court ruling prevented him from holding the office again. Ma leaned heavily on her husband. One of her campaign slogans was "Two governors for the price of one."

Mrs. Ferguson was "scared" of making speeches. But Ferguson, like Wallace, was a colorful speaker. Clad in a claw hammer frock coat, he would raise his right hand toward heaven and denounce the wealthy, the educated and all who opposed him.

Dr. J. A. Hill recalls having, along with other state college presidents, called on Mrs. Ferguson in an effort to obtain money for summer school.

They were ushered instead into the presence of Jim Ferguson. The college presidents explained their predicament to Ferguson and he called his wife.

"Ma," he said, "These men seem to have summer complaint." They got the money. Mrs. Ferguson often wore a sun bonnet during her campaigns. She addressed crowds to the tune of "Put on Your Old Gray Bonnet."

Actually, Ma was not the first woman governor but was tied for that honor with Mrs. Nellie Ross of Wyoming.

Ma was a good cook and often prepared sumptuous meals with her own hands. She was always happy to step out of her position as the state's chief executive. She is said to have run for the office only to vindicate her impeached husband.

The big question in Alabama is whether Mrs. Wallace will lean on her husband as much as did Ma.

There is one indication. Mrs. Wallace has had her executive stationery headed with "Lurleen Wallace" instead of "Mrs. George Wallace."

Kenneth Colson, the grocery salesman, was by Tuesday evening.

He was telling a tale of quail hunting experience near Wheeler. Three men, including Colson, were bragging about their luck. One of them declared that he had 70 quail in his deep freeze, all taken that week.

A fourth man walked up and said, "No kidding, Doyou really have that many?"

"I certainly do," the hunter replied.

"Well, I'm the game warden," the fourth man declared.

"Well, I'm just the biggest liar in Wheeler County," the hunter answered.

Some of these days I'm going to step out of The News office on a picture assignment with camera in hand just as a B-52 comes in real close over the post office flag.

Then I'll take a picture I've been trying to get for the past five years. Like the hunter who saw all kinds of game when he was without his gun, I always seem to be without my camera when the picture I want is available.

LEROY HUTTON, right, is shown taking the oath as Randall County clerk. Hutton's was the only new face among county officials. Others sworn Monday were incumbents. Hutton is a Republican bringing to two the number of Republican county officials. The other is Bill Butler, commissioner from Precinct 4.

Law Officer Retires After 41 Year Career

A career in law enforcement that spanned 41 years will end Feb. 1, when Lem Pounds, Randall County Deputy since 1951, resigns.

"I've had fun and I've had misery," Pounds recounted. "I've also had long hours and short hours too."

Pounds said he never cared to be a sheriff but was chief of police at Clayton, N.M. for several years.

"When I went to work," he said, "the mayor told me one thing. He said, 'don't get whipped' and I never did."

Pounds recalled when he began working for the first time as a peace officer in Clayton. The town had no paved streets and no sewers. He was assigned to "walk the dark alleys."

The slender deputy later

worked with the Amarillo Police Department under Sid Harper in 1942 and in 1943 with Sheriff W. A. "Bill" Adams, who is now Potter County Judge. Pounds said one of his many interesting cases involved the murder of a cab driver in Randall County.

"Slim" (Sheriff L. S. Johnston) had been in office just eight days when the driver was stabbed," Pounds said.

"A man walked up to me," he continued, "and said he had cut his hand near some bushes on 10th Street in Amarillo. We searched the area and couldn't find any blood."

The suspect was fingerprinted, Pounds said, and after examination admitted he had helped commit the murder.

"We had him in jail and a friend of his came to see what

the trouble was," Pounds declared. We questioned him too and he confessed," Pounds said.

Pounds said he was one of the first finger print men in the area and that the process had helped greatly in investigations.

"I was called in on the 1930 Lamar, Colo. bank robbery where two bankers were killed and a doctor was kidnapped," Pounds stated. "I finger printed the car they used. This later led to the arrest of some suspects."

The tradition of law enforcement for the Pounds family is being perpetuated by son, Marshall, who is a special officer for the Santa Fe Railroad.

Another son, Raymond, is manager of a drug store in Tulsa, Okla.

Pounds, who has been married 56 years, said of his wife: "I wouldn't trade her for anyone."

"The people of Randall County and the officials have been real nice to me," Pounds said, "and I appreciate working with Slim."

"This man" said Johnston of Pounds, "has only taken one vacation in the 14 years he's been here. He's meant a lot to Randall County."

Summing up his work in law enforcement, Pounds said, "I never did quit a case just because 6 o'clock came."

Ag Outlook Said Bleak

The agricultural picture for Randall County during 1966 was a bit bleak, said County Agent John Brazzil.

"This was not among our better years for crops because of the rainfall pattern of only about 70 per cent of the normal," Brazzil stated.

Although Brazzil said he had no figures on crop yields, 1966 had a smaller gross sales on grain crops than in previous years.

He said livestock prices were "pretty good", but there were dry areas in the county which resulted in little grass for grazing during the summer months.

Brazzil said the dairy and swine industry in the county was small, but there was an increase in milk prices, although slight.

"Operating costs," said Brazzil, "went up during the year, but that's true in any business."

"We had less acres in production," he continued, "than in many, many years."

He did, however, predict that there will probably be a 20 to 30 per cent increase in crops planted for 1967. There will be an emphasis, he declared, on producing more grain.

"Summing it all up," he stated, "everything was not much different than last year. Our grain sorghums were a little below last year; cattle income was near last year; and our wheat income was about the same as in 1965."

Pensioner's Money Lost

An envelope containing more than \$190 was lost Tuesday morning between the First National Bank and the west end of Canyon.

C. L. Westfall, 602 West 7th, had cashed his Social Security and World War I Veterans Administration checks and walked home through several alleys and vacant lots.

Randall County Sheriff L. S. Johnston described the envelope as a brown "window-type" from either the Social Security or Veterans Administration.

Anyone finding the money is asked to call the Sheriff's Office, Johnston stated.

Divorces Outnumber Marriages

There were 34 more divorces granted than marriage licenses issued in Randall County for 1966.

Of the 290 divorce proceedings filed in 47th District Court, Judge E. E. "Gene" Jordan granted 202 and 67 were dismissed.

A total of 168 marriage licenses were issued in the county clerk's office during the year.

In June, said to be the traditional month of brides, 35 divorces were granted and only 15 marriage licenses issued.

We Have Been Caught By Neglect Of Agriculture

Our previous neglect of agriculture and inadequate income for farmers is catching up with us, Joseph W. Fichter, Ohio Farmers Union chairman, told Agriculture Department committeemen at a hearing in Cleveland Nov. 14.

"Consumers have been shocked, confused and angered by recent increases in the price of milk," he stated.

"The basic fact is that our previous neglect of agriculture and inadequate income for farmers is finally catching up with us. Farmers have been providing food for distributors at prices so low that dairy producers are being forced to dispose of their herds."

"The current prices of milk and other food products," he said, "are low in comparison to what we can expect unless the income of family farmers is such that they can afford to remain in farming."

Fichter pointed out that farm machinery prices are up 80 percent since 1948; motor vehicles up 62 percent; wage rates up 71 percent; building and fence materials up 32 percent; and farm supplies up 15 percent. And there has been an amazing increase in interest rates."

All of these costs, he said, must be absorbed by the farmer. But "farm prices and income are still below what they were two decades ago."

Mrs. Harper Is Panelist

Mrs. Margaret Harper will participate as a panelist at a West Texas Chamber of Commerce-sponsored tourist development conference Friday in Colorado City.

Mrs. Harper is president of the Texas Panhandle Heritage Foundation, sponsors of "TEXAS", Pioneer Amphitheatre production.

She will discuss "How To Develop Man-made and Tourist Attractions".

Theme of the overall conference will be "How To Assist a Small Town in Developing Tourism".

Others on the panel will include Lou Key, of the Lubbock Museum; Dorothy Croft, promoter of Odessa's Globe Theatre; and Forrest Armstrong, developer of the Railroad Museum in Weatherford.

Moisture Is Below Average

Canyon was 1.69 inches below average in moisture for 1966 according to Dr. M. B. Measamer, head of the geography department at West Texas State University, who compiles local weather records.

Dr. Measamer reports 18.11 inches of moisture received during the year which is below the normal 19.80.

"We were about 3 1/2 inches above Amarillo due to the heavy showers received here during June, August and September," related Measamer.

A monthly breakdown of moisture received shows January .81; February .23; March .00; April .82; May 1.40; June 4.93; July 1.05; August 4.68; September 3.29; October .36; November .34; and December .20.

Centenary Trips Buffaloes 76-68

A dead-eye marksman named Larry Ward shot the Centenary College Gentlemen to a 76-68 win over the West Texas State Buffaloes in Hirsch Memorial Youth Center in Shreveport, La., Tuesday night in a see-saw struggle in which the lead changed hands nine times. On eleven occasions the score was tied.

Ward rang up 19 points in the first half in pacing a Centenary lead, and then scored 14 in the second half to spark a rally that overcame an eight-point WT lead in guiding the Gents to victory. Ward's 33 tallies won scoring honors over a 22-point performance by Buff Mickey Fitts.

West Texas scored first in the contest, claiming a 2-0 lead on a pair of free throws by guard Rod Teague, but Centenary soon pulled ahead. Mike Mitchell responded by sending the Buffaloes back in front at 6-4 on one of his patented long jumpers.

Coach Jimmy Viramontes saw his team roll on to a 13-11 command before Ward hit from 15 feet out to tie the score. Ward soon put the Gents in the lead at 17-15 on a lay-up, but Mitchell turned the tables with another long shot for a 19-17 Buff margin.

Centenary came right back on a lay-up by John Blankenship to take charge of the score, but WT twice tied the score, and then surged in front again on a Mitchell field goal.

The 6-0 Ward hit a field goal with 6:30 left in the half to spark the Gents to a hot streak that saw them move to an eight-point bulge that they maintained until the halftime buzzer sounded with Centenary in command, 45-37.

When the second half started, the Buffs got hot as the Gents grew cold, and with 14:30 to play, Mitchell had whittled the Buffs deficit to only four points, 46-50. Fitts then struck quickly with a lay-up and a tip-in and the Buffs were even at 50-50. Teague tossed in a short field

goal for a West Texas lead at 52-50.

The Buffs padded their lead to eight points on a driving lay-up by Teague with 11:00 to go, but then Ward and fellow-sophomore John Blankenship began to bring the Gentlemen back to life, slowly cutting at the Buffs until Blankenship's field goal had Centenary within 63-64. Mitchell hit a long jumper to try to ward off the threat, but the shot was voided by the officials, who ruled that Buff center David Nowlin had gone above the basket in trying to make sure that Mitchell's shot would go through.

The dangerous Ward hit a free throw and then a field goal, and his team had a 66-64 advantage. Teague's jumper immediately tied the score at 66-66, but Blankenship came right back to give Centenary the lead for keeps on a field goal of his own.

Gent Coach Orvis Saylor ordered his team into a stall with 1:30 left with his team ahead 70-68, and this maneuver paid

off in forcing the Buffs to risk fouls in trying to get the ball. The Buffs did foul, with the Gents capitalizing for two free points, and then rolled on for two quick baskets just before the game's end.

Blankenship was the only Gent besides Ward to hit in double figures, scoring 16.

The scoring for West Texas was as follows: Fitts 22, Mitchell, 17, Teague 14, Nowlin 6, Jerry Cooper, 6, and Derrith Welch 3.

West Texas scored 56 points from the field and 16 from the foul-line, compared to Centenary's breakdown of 66 and 10.

Centenary's tough schedule may have aided them in preparing for the Buffs, as the Gents have met such teams as TCU, Baylor, Rice, and Houston. The Gentlemen were tied with nationally-ranked Houston at halftime in that game. Centenary now has a 4-6 record.

For West Texas, their rugged schedule will continue, with the Buffs now in possession of a 1-5 record and a three-game losing streak.

Mr. and Mrs. Albert Legate and Mrs. Lucille Morgan and children were unable to come home for Christmas due to Albert's illness.

Mr. and Mrs. Robert Langston and children returned from California and report snow in the mountains. Enroute home Mrs. Willie Roberts visited with a sister at Earth.

Mr. and Mrs. Richard Evans visited with her sister in Amarillo Sunday.

About two inches of snow fell on December 27 and temperatures have been very cold with some snow still on the ground.

Mr. and Mrs. Melvin Schaefer visited with Tom Rogers

on Christmas Eve night.

New baby of the Kenton Wesleys was a boy. They have a daughter, Cary, who is four years old.

Mr. and Mrs. C. R. Wesley and Tonda returned from Graham on Thursday.

The Woodrow Wesleys are entertaining their granddaughter, Tonda Shali, this week.

Mr. and Mrs. Richard Evans visited with the J. W. Wesleys Monday and the group watched the Rose Bowl activities on color television.

News Briefs

FAULTY ELECTRICAL wiring in a small dog house is thought to be the cause of a fire that destroyed a pick-up camper and resulted in extensive damage to a garage at 2612 10th Ave.

The fire was reported at the William F. McPherson residence about 5:30 a.m. Wednesday.

A "short" may have started the fire that burned the dog house and camper and destroyed a large portion of a two-car garage, said Canyon Fire Department Captain Joe Rice.

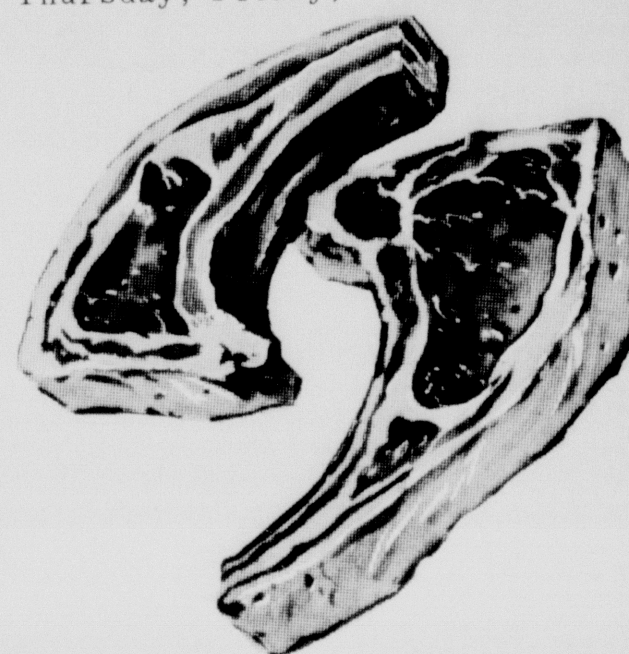

Earl E. Miller visited during the holidays with his daughter, Mrs. Bill Watson, and family at San Angelo.

BUTTONS are a hobby for B. T. Stokes of Canyon who displays here three cards of buttons which he framed. The hexagon shaped display board in the chair holds 274 buttons, the heart shaped display has 216 buttons and the star design bears 147 buttons. Stokes had been a button collector "ever since he can remember".

Collection Is Retirement Fun

BY LORENA MILLER

Button, button, who's got the button?

Well, B. T. Stokes of 1809 Sixth Avenue has the button.

In fact, Stokes has a large collection of buttons which are displayed in frames which he designed and built.

Stokes has a collection of 637 buttons which are mounted and several hundred more buttons that he "hasn't gotten around to fixing up yet."

Although the buttons have no monetary value, they are a prized possession of Stokes who has been collecting all sizes, shapes and colors of buttons "ever since he can remember."

"Friends and relatives have contributed a number of buttons to the large collection," said Stokes. "Then too, I have gotten some buttons that were old family heirlooms."

Along with his button collection, Stokes also has collections of rocks and seashells and has dabbled in making plastic items as a hobby.

"I don't have any two buttons alike," says Stokes adding that he often latches onto buttons which are left from his wife's sewing projects.

"The collection is my own," Stokes commented. His wife related that she had little interest in the collection but that her hobbies are turned more toward refinishing furniture, reupholstering and carpentry.

For framing the buttons, Stokes uses stiff cardboard, fishing line and then frames the setting with unusual designs cut from masonite or plywood.

Included in Stokes collection is a card of fluorescent buttons which glow under ultra-violet light. He keeps this collection separate from his regular buttons.

"I used to have quite a collection of arrowheads," stated Stokes, "but I have given them away gradually to grandchildren and friends."

Some 274 buttons are mounted in a hexagon shaped frame, which was the first display that Stokes prepared. He has mounted the remainder of his buttons since retiring from the custodial department at West Texas State University some eight years ago.

"The heart shaped frame contains 216 buttons," related Stokes adding that the star-shaped frame contains only 147 buttons.

The Stokes moved to Randall County in 1954 and Stokes spent about 3 1/2 years with the custodial department at WTSU before his retirement. They moved here from Coleman County where he had been a farmer.

W.C. Angel.

Jameson; Glen Mabry, 2809 Teckla; Boyce Box, 6501 Dreyfuss; George Dupree, 3204 Hawthorne Drive; Neil S. Braboy, 4406 Tawney; Mrs. William Aske, 3701 Virginia; John Kenehan, 5306 Brinkman; and Paul Sagen, 4610 Buffalo Trail.

A docket call was held, but no date was announced for the first grand jury session.

Court...

(Continued from Page 1)

First Avenue be closed between 16th and 17th Streets to make way for construction of a county barn. The barn will be used by Precincts Three and Four.

District Judge E. E. "Gene" Jordan administered the oath of office to county officials including Bill Butler, commissioner of Precinct 4; Clarence Beckman, Precinct 3; Ruth Hill, county treasurer; George Dowlen, Criminal District Attorney; Leroy Hutton, county clerk; Lloyd King, county judge; Mavis Hill, district clerk; W. W. "Shorty" Hancock, justice of the peace; John Dorsey, county surveyor; and Betty Hodges, county auditor.

Hutton's was the only new face in the court house. He defeated Tommy Lair for the office of county clerk in November. Hutton is a Republican.

War...

(Continued from Page 1)

was charged with assault with intent to murder in connection with the shooting of Stevens. Clifford's attorney became ill and the case was postponed until some time early this year.

West Texas State University received a Federal grant of almost \$1 million for use in construction of a building to house university offices and classrooms. Construction of the \$3 million structure is now under way.

College discipline was the subject of many stories here during the year.

Darrel Aldridge was expelled from West Texas State University early last year. Aldridge sued West Texas State in 47th District Court here. He obtained a writ of mandamus and was returned to school.

The university appealed and the case was reversed by the 7th Court of Appeals. The appeals court refused to grant a new hearing and Aldridge was expelled in December.

Aldridge's attorney has said he will appeal the case to the state supreme court. Fourteen students picketed the West Texas administration building Dec. 16 in protest of the expulsion.

In October, Canyon city commission agreed to merge Canyon and Amarillo telephone service. This will permit dialing Amarillo numbers without toll. Local numbers may be dialed from Amarillo.

Open house for one of Canyon's most beautiful and modern structures was held in November. The new First National Bank building was erected at a cost of nearly \$500,000.

Another bank was in the news December 15 when a charter was granted to West Texas State Bank of Canyon. Spokesmen for the new bank have said it will be open for business within 60 days after granting of the charter.

On the political scene, Republicans got a firmer toe hold locally. Bill Butler was re-elected commissioner of Precinct 4 and Leroy Hutton was successful Republican candidate for county clerk.

Livestock...

(Continued from Page 1)

ing to rules for the 1967 show. Substitutions of another 4-H or FFA member may be made only with consent of the department superintendent. No livestock may be entered in the sale unless entered in the show.

A score card for judging all showmanship classes will be used. County Agent John Brazzil, and vo-ag teacher, Carrol Duncan, have the complete score cards. Emphasized will be the stalls and pens, fitting and showing animals by exhibitor, care and use of the building and equipments, neatness, cooperation, sportsmanship and show ring performances.

For the show all exhibitors must turn in an up-to-date record book on their animals to the respective department heads when the animals are weighed in. Such records must have been kept since the beginning of the project.

In the cattle department, exhibit and sale will be limited to two fat steers. Calves shown in the single classes may be shown in a group of two, provided they are owned and fed by the same boy. All calves must weigh 600 pounds to be shown.

Two pigs may be shown. Either barrows or open gilts may be shown at the 1967 show, however in 1968 only barrows will be shown. All pigs entered in the show must be fed and owned by the exhibitor for a minimum of 90 days prior to the show, or have weighed 100 pounds or less when purchased. Maximum weight on swine will be 240 pounds.

Eight pigs of the same breed must be entered in the show for judging of a breed class. If less than eight of a breed are entered, they will be judged in the crossbreeds class.

Exhibitors are limited to two lambs. Minimum weight for Southdown is 65 pounds and minimum weight for Crossbred and Fine wool lambs is 75 pounds. Maximum weight on all lambs is 115 pounds.

Visiting with Mr. and Mrs. Bud Parker during the holidays are their daughter's family, Mr. and Mrs. Vernon Mickey and daughters, Michelle, Melanie and Melissa, of Elba, Alabama.

Residential.

(Continued from Page 1)

vious year figure of 58. Residential permits came to 42 for 1966.

Some \$2,654,000 of the 1966 figure were recorded October 28 when West Texas State University was issued a permit for a new Administration Building.

A permit for a new First National Bank building was issued in April for \$275,000, Collette said.

Second largest month came in February when a \$700,000-plus permit was filed for an addition to the Panhandle Plains Historical Museum.

Building continued on a relatively steady level on through March with \$404,043 and April with \$372,775, but slumped in May to only \$80,000. Seven residences and an apartment building were recorded in March and three commercial building in April.

Smallest month was December for \$6,300 in permits.

Cage...

(Continued from Page 1)

Mullins says "has more moves than a chorus line and more shots than Wild Bill Hickock." Hill's two successive steals against Kentucky were the turning point in the Miners' championship effort.

Texas Western's big man is 6-7, 240-pound all-American candidate David (Daddy D) Lattin, who spends his spare time as a jazz disc jockey at an El Paso radio station. Lattin is "harder to stop than lightning in an electrical storm," according to Mullins, and is a crowd-pleaser with his prodigious dunks.

Another crowd-pleaser is probably the shortest man to ever dunk a basketball, 5-6 junior guard Willie Worsley. At the forwards will be Nevil (The Shadow) Shed and 6-5 Willie Cager.

Should any of the top five falter, strong reserves are on hand, the most notable of whom is 6-10 sophomore Phil Harris, who plays despite the fact that he is a finger short on each hand due to a childhood accident.

The Miners have not been without their problems this season, however, and have been knocked off by New Mexico State (a Buff foe later this month) and Southern Illinois. Other teams have given the Miners severe tests before going down, and it may well be that Texas Western is ripe for an upset. Haskins' woes were further compounded when he handed Hill a temporary suspension for disciplinary reasons, but this has since been lifted.

West Texas has shown a desire to ambush big - name schools, having already blasted Texas A&M 89-71, and nothing could please Coach Jimmy Viramontes' quieter more than to upset the national champions in Canyon.

Prior to the Texas Western tilt, the Buffs face another rugged foe at Fort Collins, Colo. in the Colorado State Rams on Saturday, Jan. 7.

The Rams ran up a 14-8 mark last year, and Coach Jim Williams has said that he expects definite improvement this season. Always tough, Colorado State has earned berths in post-season tournaments in five of the last six years.

High...

cation for a writ of error.

Aldridge, 21-year-old Lamesa senior, was expelled from West Texas State University early last spring. He was reinstated in school on a writ of mandamus granted by 47th District Judge E. E. "Gene" Jordan.

WT appealed the case and the trial court was overturned by the 7th Court of Appeals sitting in Amarillo. Aldridge subsequently was expelled after the appeals court denied a rehearing on the case.

Attorney for Aldridge, Jack Hazlewood of Amarillo, made application to the State Supreme Court for a writ of error.

Hazlewood said the procedure on the case now would be to make a motion for a rehearing on the application for a writ of error.

Holiday guests in the Ray Wells home were the families of Ed Wells, Pampa; Don Wells, Shamrock; and J. G. Wells, Canyon.

Students Erect Sign

GARY MOORE, on ladder, and Johnny Johnson were among students erecting a sign at the Canyon Junior High School last Friday. The sign, which displays Canyon Junior High School in white letters over blue, was pur-

chased from snack bar profits by the CJHS Student Council. Also helping with the project were David Singleton, David Smith, George Johnson, Jerry Landrum and Easton Wall, principal.

Kiser Is Home From Viet Nam

BY WAYNE BOARD

The temperature is cool at this time of the year in Viet Nam—it's only about 100 degrees, declared Dewayne Kiser, son of Mr. and Mrs. Floyd Kiser of Canyon.

Dewayne has just returned from Viet Nam.

"I've already caught a cold," he said.

Kiser was a scout attached to a US Marine tank company. He landed Feb. 5 in the Mekong Delta and has since been through Chu Lai, Da Nang and Saigon.

"When I return Jan. 23, I'll probably be over there from 11 to 13 more months," he said.

The primary function of Kiser's group is to sit atop the tanks and scout for a passable route through the dense jungles.

"We usually stay near rice paddies," he said, "but once in a while they take the tanks away from us and we have to walk where the tanks can't go."

Kiser, who became a sergeant effective New Year's Day, said he would still be a scout upon his return but that he did not know where he would be stationed.

His company received a Presidential Citation for "Operation Jacks Day" and a Naval Commendation for "Operation Hastings."

He received a Purple Heart while in Viet Nam.

"Several of us were riding on top of a tank," he explained, "when a grenade was thrown on us from a tree. I got some metal in my arm and back."

Kiser said he was not taken to the hospital for treatment but later had an infection and was confined for 34 days at Da Nang.

"Anytime you get cut," he said, "it won't heal."

He explained that a soldier must receive three Purple Hearts before he is allowed to be transferred back to the US.

The only rest away from the fighting, he said, was when the men were allowed to go into a "rest area" once a week for a short period of time.

"When we go into a rest area for a few days each month," he said, "we are usually working on our equipment, but once in a while we get to see a movie."

Few of the soldiers speak the language of the country, but most of the people in Viet Nam speak English.

"They learned their English from the French," he explained.

Kiser is a 1962 graduate of Canyon High School.

Kiser said mail from the US sometimes arrived within five days and at other times delivery was delayed up to six weeks.

Kiser said he had sent his family some dinnerware from the Philippines, but that there was a good deal of red tape involved in bringing goods from Viet Nam through customs to the US.

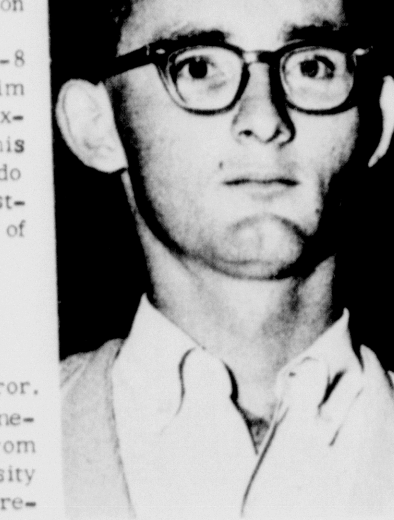

"Everything's real expensive in Viet Nam, and especially on the black market," he said. "I have paid up to fifty cents for a package of cigarettes."

He said candy, cigarettes, boots and almost any goods were available through the "market."

"The black market people are always around—somewhere," he laughed.

What seems to be the major concern of a US soldier other than being fired upon by the enemy?

"I think we worry about the folks back home," he concluded.

It's Easy To Write A Good

CLASSIFIED AD!

Lots of people get confused when it comes to writing a Classified ad. Do you? If so, here are a few simple rules to make ad writing easy. A good ad is just conversation in print. So when you're preparing to place an ad, just write it the way you'd tell your neighbor about it.

Avoid Abbreviations

Ready to write the ad? Please, no abbreviations. Studies of advertising show that abbreviations decrease readability. You want people to read and understand your message. Make it as easy for them as you can.

Why Leave Them Guessing?

What do you want to sell or buy? If it's an appliance, what's the brand? What's the size or capacity? Does it need repair, or is it ready to use? Now put yourself in the buyer's position. If you were reading this ad, what would you like to know? Price? By all means, put that in. In nearly every ad, price is the most important information. Anything else missing? If so, fill in those blanks, too. All clear now? OK, just a few more little points.

Don't Cut Off Your Own Nose

Once the ad has been completed, read it over. It's fine to eliminate a word here and there, but don't "edit" it to the point where the reader may have to guess at the meaning. You might save a few pennies and lose dollars in results.

Ordering Is Easy

Just write The Canyon News Classified Dept. or come in and see us at 414 15th Street.

The Heck With It

If any of this seems complicated, don't lose your grip. You can still place your ad. Just pick up your telephone and Call OL5-2141. We have experienced ad writer's waiting to help you.

COOK OF THE WEEK

Shares Trio Of Family Favorites

BY LORENA MILLER
Mrs. Jim Carter of 701 Fourth Avenue has taken time out from holiday entertaining of her daughters and their families to share a trio of family favorite recipes with our readers this week.
These are orange pound cake, date pinwheels, and ham and macaroni salad.

ton of Albuquerque, N. M., Billie Woodall of Alexandria, Va., and Gwen Anthony of Amarillo. Visiting in the Carter home during the holidays have been all of the daughters with the exception of Billie. Of Mrs. Carter's eleven grandchildren, all but four were at the Carter home for the holidays.
Mrs. Carter expresses her "love of children" through her efforts as a Sunday School teacher in the four-year-old department at the First Baptist Church of Canyon. She has taught the class for about 18 years.
Mrs. Carter has worked for the past seven years with the Village Drive In. Prior to her present position, she was a saleslady with Warren's for about 11 years.
Among her hobbies, Mrs. Carter likes sewing and cooking. She often sews for her grandchildren and daughters and likes baking desserts for family gatherings and to share with fellow workers.
"The girls are all recipe hounds too," said Mrs. Carter explaining that her daughters often raid the recipe box for new tidbits when they are home on visits.
Mrs. Carter was reared with two sisters and three brothers and knows the benefit of cooking in large quantity. Her brothers and sisters include Ruby

Garvin of Silverton, Annie Ricketts of Hereford, Ernest Hughes of Abernathy, and Aubrey and Frank Hughes, both of California. Her husband's family includes two sisters, Zuba Holden of Dumas, and Nita Head of Colorado Springs, Colorado.
Her favorite recipes include:
ORANGE POUND CAKE
1 cup shortening
2 cups sugar
4 eggs
1/2 oz. bottle of orange extract
1/2 tsp. red coloring
1 tsp. yellow coloring
1 tsp. butter flavoring
1/2 tsp. salt
3 cups flour
3/4 cup buttermilk
1 tsp. soda
1 Tbsp. vinegar
Cream shortening and sugar. Add eggs, one at a time and mix well. Add extract, coloring and salt. Sift flour and add alternately with buttermilk.
Mix soda and vinegar in a small bowl and add to the above mixture. Blend well. Bake in a 9 or 10 inch stem pan that has been greased and dusted with flour. Bake at 325 degrees for about 65 minutes, or until toothpick inserted in center comes out clean. Do not over-bake.

DATE PINWHEELS
1 lb. dates, chopped
1/2 cup water
1/2 cup sugar
1 cup nuts, chopped fine
Cook dates, water and sugar until thick. Add chopped nuts and set aside.
1/2 cup brown sugar
1/2 cup white sugar
1/2 cup butter or margarine
1 egg, beaten
1/2 tsp. vanilla
2 cups flour
2 cups soda
1/4 tsp. salt
Mix sugar, margarine, eggs and vanilla and blend in sifted flour, soda and salt. Divide dough into two sections and roll to 1/8 inch thickness. Spread with cooled date-nut mixture.
Roll into a jelly roll style and chill. Slice about 1/4 inch thick and bake on cookie sheet at 400 degrees for 7 minutes.
HAM AND MACARONI SALAD
1 can cream of chicken soup
1/4 cup celery, chopped
1/4 cup onion, chopped
2 Tbsp. green pepper, chopped
1/2 tsp. mustard
dash Tabasco sauce
dash pepper
Blend together 2 cups cooked macaroni and 1 cup diced ham. Combine listed ingredients and blend with macaroni and ham. Chill and serve with tomato slices.

HOMEMAKER OF THE WEEK, Mrs. Jim Carter, shares her family's favorite recipes for orange pound cake, date pinwheels, and ham and macaroni salad with our readers this week.

Foul Plagued Buffaloes Lose

BY JON LOW

Foul trouble further complicated a continuously unmerciful schedule for West Texas State, and the Buffaloes found themselves again on the short end of the score in two games at the Golden Spike Tournament at Ogden, Utah.
After forcing rugged Los Angeles State to extend itself to take a 98-86 win over the Buffs in the opener, the West Texas team lost in the consolation round to Northern Illinois University by an 84-89 count.
The Buffaloes zoomed to a 44-32 halftime lead, but found itself in serious foul trouble in the second half enroute to the loss. NIU and the Buffs traded leads 11 times in the second half before the Huskies went in front to stay with three minutes remaining. Foul cost Coach Jimmy Viramontes the services of two starters, guard Rodney Teague and forward Jerry Cooper.
The gunner for Northern Illinois was Willie Hanson, who bagged 33 points with 27 coming in the second half.
The difference in the game was at the foul line, with the Huskies netting 28 charity markers to 17 for West Texas. Mike Mitchell paced the WT scoring attack with 29 points, flipping in 20 in the second half alone. Mickey Fitts had

19 and Jerry Cooper had 16 as the only other Buffs to tally in double figures.
Los Angeles State, one of the strongest teams on the West Coast with a 9-3 record and all losses in overtime games, shot down the Buffs 98-86 in the opener but could never break the game open.
Four of the Diablos scored in double figures, with Joe Davis getting 30 and Gary Smith scoring 27 to set the pace. Mickey Fitts showed that he had found the form that made him WT's leading scorer last year in tossing in 26 points.
Jerry Cooper, who has come out of nowhere to give the Buffs a vital shot in the arm in the past week, contributed 15 points. Val Franklin had 14 while Mike Mitchell added 11.
The two tournament losses gave West Texas a 1-4 record for the season.

Mrs. Florence Lassiter of Compton, Calif. spent the Christmas holidays with her son and family, Mr. and Mrs. Floyd Lassiter, Sherri and Becki.

TIRED KIDNEYS GOT YOU DOWN?

Lady Golfers Elect Slate

The Ladies Golf Association held a regular business meeting Wednesday at the Canyon City Club to elect officers for the 1967 term.
Mrs. Chuck Allen was elected president. Other officers include Mrs. Gene Deeds, vice president; Mrs. Bill Harp, secretary-treasurer; Mrs. Bob Smith, publicity; Mrs. Conny Phillips, tournament director; and Mrs. Jack Ellinwood, parliamentarian.
The group meets each Tuesday at 9:30 a.m. at the City

Club. All women interested in golf are urged to attend the meetings and for added information may contact Mrs. Smith at OL5-4645 or Mrs. Allen at OL5-2407.
Mr. and Mrs. Gerry King of Houston were holiday guests in the home of Mr. and Mrs. Charles Marshall. The Kings, former Canyon residents, were honored with a party at the Marshall home Friday evening which was attended by a number of local residents.

Canyon Clubwomen Review Year 1966 As Successful Undertaking

A full and rewarding year has been recorded from a majority of Canyon women's clubs during 1966.

As the old year turns to the new, Canyon women's clubs can look back over a year which began with Mrs. D. C. Gamble assuming official duties as the home demonstration agent for the county early last January.

Also during the early spring months, Lula Grace Erdman, noted authoress from the Panhandle, spoke to several local study clubs with informative programs on her writings.

A highlight of the year came in February when the four federated women's clubs named their "jewels" which were later honored at a tea.

Named as jewels from the various clubs were Mrs. C. W. Warwick and Mrs. T. B. McCarter from the Woman's Book Club; Mrs. Levi Cole, Mrs. D. M. Foster and Mrs. A. H. Prichard from the Sue Hite Club; Mrs. Bob Lindsey, Mrs. Richmond Hales, Mrs. Harold Erwin, Mrs. Eugene Bonds, Mrs. C. E. Thompson, Mrs. T. S. Stevenson, Jr. and Mrs. James M. White of the University Study Club; and Mrs. Dick Dawdy, Mrs. Floyd Langston, Mrs. Gordon Williams and Mrs. Jerry LaGrone from the Canyon Study Club.

Mrs. E. J. Larson was named chairman for the Canyon Federated Club Council when it was organized in mid-February. The council co-ordinates activities of the four federated clubs and sponsors two events each year for all federated clubwomen including the spring tea and fall dinner.

The fifth annual Valentine Ball for Beta Sigma Phi sorority was held during the spring months. Honors for Xi Kappa Zeta chapter went to Mrs. Tom Depperschmidt, queen, and Mrs. David Pulley, princess. Chi Upsilon chapter honored Mrs. Jimmy Golden as queen and Mrs. Phil Magness and Mrs. Speck Benham as princesses at the event.

Canyon Jaycee-Ettes entertained the state president, Barbara Rogers, with a fete for area women in Canyon during late February.

Among projects for the Delta Zeta alumnae were the annual spring and fall hat sales with proceeds going to philanthropy projects.

A fashion show entitled "Space-o-Rama" drew a large crowd as a major fund raising project for the University Study Club of Canyon.

During March, Mrs. Gerry King was named Jaycee-Ette of the year. Mrs. King was nominated by the local club in the state contest and won the club's population division as

top Jaycee-Ette in Texas at the state convention. The club also recorded honors on their scrapbook at the convention.

April's highlight was the first annual "Craft and Hobby Show" held by the Woman's Book Club. Then in May, Mrs. Joe Frank captured six first place awards in the artistic division at the Canyon Garden Club's annual flower show which was attended by about 300 persons.

Rainbow Girls entertained Martha Marie Whitfield during May. Mrs. Whitfield, supreme service and inspector for Texas of the International Order of Rainbow Girls, was feted with a reception by the local chapter.

Honored by home demonstration clubwomen of the county at a May Day luncheon was Mrs. R. A. Hodges, who was selected as the outstanding clubwoman of the year.

In June, the Order of the Eastern Star installed Mrs. Rae Walters as worthy matron and H. E. Campfield as worthy patron at a special reception and program.

Other summer projects included a party for senior citizens at the F. A. Pierce home, a school fashion show by the Canyon Study Club, and the sale of stationery featuring the Pioneer Amphitheatre by the American Association of University Women.

A majority of women's clubs halted activities for the summer months and then resumed in early September.

MR. AND MRS. O. A. SMITH observed their fiftieth wedding anniversary last Wednesday with a reception in their honor at the Community Building. Present for the occasion were their four children, left to right in back, Lowell

Miss Brandon-Keller United In Ceremonies

Double ring marriage vows for Miss Donna Elizabeth Brandon and William Albert Keller were solemnized Friday, December 30, at Joseph A. Hill Chapel on the campus of West Texas State University.

Earl Fort, Baptist minister, officiated at the exchange of vows. The bride is the daughter of Mr. and Mrs. C. O. Brandon of Quanah and parents of the bridegroom are Mr. and Mrs. M. A. Keller of Canyon.

The chapel was decorated with two large tiered candelabra holding white votive candles and flanked the altar which was decorated with an arrangement of red poinsettia and greenery. The traditional altar bench was used.

Jan Story of Hereford was organist and presented traditional nuptial selections while soloist, Noreen Sutton of Spearman, sang "Climb Every Mountain" from the Sound of Music and "One Hand, One Heart" from West Side Story.

Given in marriage by her father, the bride wore a white floor-length empire waisted gown with a scalloped neckline. A detachable coat of peau de soie formed the chapel length train. Her veil of illusion was held by a princess crown and her bouquet was two white cymbidium orchids surrounded by white carnations and carried atop a white Bible.

Kay Reynolds of Amarillo served as matron of honor and bridesmaid was Beverly Blorton of Perryton. Miss Linda Whitten presided at the guest register.

The bridal attendants wore red velvet dresses with empire waistlines, square necklines

and bell shaped sleeves. Their street-length ensembles were accented with bouquets of red and white carnations featuring white streamers. Their headpieces were red illusion caught to red bows.

Best man was Ronnie Reynolds and Wayne Cox of Canyon was groomsman. Ushering duties were shared by Elo Meyer of Canyon, Jack Wilson of Weatherford, Gene Finley of Meadow and Kenneth Brown of Canyon.

A reception honoring the couple was held at the Baptist Student Union. The table was centered with red carnations and small candelabra. Presiding at the punchbowl were Stephanie Shaner of Spearman, Delma Andrews of Borger, Sandie Fincher of Boise City, Oklahoma and Sharon Tole of Tulsa.

Out of town guests for the occasion included Mr. and Mrs. C. O. Brandon, Mr. and Mrs. G. R. Morgan of Chillicothe, Mr. and Mrs. Daryl Quimby

and family of Davis, Oklahoma, Mr. and Mrs. Mickey King and family of Lafayette, Louisiana, and Mr. and Mrs. Gaylord Aufleger of Amarillo.

For travel, the bride chose a blue wool suit with matching accessories. The couple will make their home at 313 West 30th in Amarillo.

A 1964 graduate of Quanah High School, the bride attended West Texas State University for two years and is employed with the American Quarter Horse Association in Amarillo.

The bridegroom, a 1962 graduate of Canyon High School, is a senior student at WTSU where he is a member of Kappa Alpha Order fraternity. He is presently employed with Doshier, Pickens and Francis, Certified Public Accountants in Amarillo.

The home of the bridegroom's parents, Mr. and Mrs. M. A. Keller, was the site for a rehearsal dinner honoring the couple.

MRS. VINCENT C. MEYER

Miss Westhoff Meyer United

Wedding vows for Miss Gladys Westhoff and Vincent C. Meyer were solemnized in an afternoon ceremony December 27 at St. Mary's Catholic Church of Umbarger.

Officiating at the double ring rites was Rev. Monsignor W. F. Bosen. Decorations at the altar featured holiday poinsettia and traditional wedding selections were presented by St. Mary's Senton Choir with Mrs. Vincent Raemakers as organist.

The bride is the daughter of Mr. and Mrs. Conrad Westhoff of Umbarger and the bridegroom is the son of Vincent J. Meyer of Umbarger.

Given in marriage by her father, the bride wore a formal wedding gown of peau de soie satin with a long sleeve empire styled bodice, which was accented with seed pearls above a controlled re-embroidered Alencon lace overskirt. The chapel sweep train cascaded from the empire waistline and she wore a bouffant veil of French illusion which was attached to an illusion flower edged in lace and seed pearls.

Maid of honor was Catherine Westhoff, sister of the bride. Bridesmaids were Janice Mulloy and Delores Artho. The bridal attendants were identical floor length gowns of light blue chiffon over taffeta with royal blue velvet bodices. Ac-

centing the ensembles were headpieces featuring fabric roses with net veiling and each carried a light blue carnation bouquet tied with royal blue satin bows.

Willie Wieck was best man. Groomsman were Alfred Buecker and Jim Wieck. Ushering duties were shared by George Frank, Jim Meyer and Anthony Handing.

The couple was honored with a reception and dance in St. Mary's Parish Hall and then left on a wedding trip to points of interest in Arizona.

Both the bride and bridegroom are graduates of Umbarger High School. The bride was formerly employed with Deaf Smith County Abstract Company in Hereford and the bridegroom is self-employed with Meyer's Repair Shop in Umbarger. The couple will make their home in Umbarger.

Jaycee-Ettes

Meet Monday

Canyon Jaycee-Ettes will meet Monday, January 9, at 7:30 p.m. in the home of Mrs. Carl Miller, 1300 Second Avenue. A regular business meeting is slated to begin the new year according to Mrs. Guy Hamblen, president.

Engaged

MR. AND MRS. H. M. JOHNSON, formerly of Canyon, announce the engagement of their daughter, Mary Lou, to Charles F. Werner, son of Mr. and Mrs. Albert H. Werner of Paxton, Illinois. The bride-elect is a junior at the University of Illinois majoring in mathematics and her fiancé is a contractor with Werner Brothers.

ITEMS OF INTEREST TO Women

Reception Honors Anniversary

The fiftieth wedding anniversary for Mr. and Mrs. O. A. Smith was observed last Wednesday between the hours of 2-6 p.m. with a reception at the Community Building in Canyon.

Mr. and Mrs. Smith were united in marriage on December 24, 1916 in Leedey, Oklahoma and first came to Randall County in 1926. Until his retirement in 1960, Mr. Smith was a local farmer.

The Smiths have two daughters and two sons who were

present for the occasion along with 11 grandchildren and four great-grandchildren. The couple's children include Lowell Smith of San Francisco, California, Melvin Smith of Dallas, Lucille Cox of Roswell, New Mexico, and Lorene Nichols of San Diego, California.

Approximately 150 persons attended the reception honoring the Smiths last Wednesday. Presiding at the guest book for the occasion was a granddaughter, Patty Smith of San Francisco, California.

Granddaughters, Carolyn Keas of Wichita, Kansas, Cheryl Kygar of San Diego, California and Carol Nichols of San Diego, California presided at the serving table which was laid with a lace cloth over gold metallic.

The anniversary cake featured four tiers topped with wedding bells, an embossed golden 50, and a bridal pair. Other layers were accented with doves.

Among special guests for the occasion were two sisters of Mr. Smith and a brother of Mrs. Smith. They were Mrs. Irene

Williams of Stratford, Oklahoma, Mrs. Jewel Jones of Selma, California and Fred Hubbard of Whittier, California.

Son's Birth Announced

Mr. and Mrs. Kenton L. Wesley announce the birth of a son, James Lee, who arrived on Christmas Eve, December 24. Born at Neblett Memorial Hospital, the infant weighed 5 pounds 15 ounces on arrival and has one sister, Carrie Jean, 3.

Grandparents are Mr. and Mrs. J. L. King of Canyon and Mrs. Alvin Wesley of Happy.

Training Meet For HD Leaders

A "training meeting" for leaders of home demonstration clubs of the county has been set for Monday, January 9, according to Mrs. D. C. Gamble, home demonstration agent.

The meeting is especially designed to instruct the new presidents, vice presidents and program chairmen for each club.

Attendance is urged at 2 p.m. Monday at the Farm Bureau Building.

Visiting with Mr. and Mrs. Jim Carter during the holidays have been their daughters, Joyce Davidson of Grand Prairie, Lorayne Thornton of Albuquerque, New Mexico, and Gwen Anthony of Amarillo, and their families.

Hicks Have Baby Boy

Mr. and Mrs. Marion E. Hicks of Canyon announce the December 27 birth of a son, William Douglas.

Born at Neblett Memorial Hospital, the infant weighed 7 pounds 7 ounces on arrival.

Grandparents are Mr. and Mrs. L. L. Raef and Mr. and Mrs. M. W. Hicks, both of Umbarger.

Fitts Named Top Player

Canyon's own Mickey Fitts of West Texas State turned in three outstanding performances in the past week and as a result has been named Player of the Week by the Canyon News.

Fitts put two 26-point outbursts back-to-back against Texas A&M and Los Angeles State, and continued to shell the nets against Northern Illinois for 19 points.

His achievements are remarkable in their own right, but are brightened by the fact that Fitts never played high school basketball.

The good-natured 6-5 senior led the Buffaloes in scoring last year with a 16.1 per game clip, while posting a hot field goal accuracy mark of 51.9%. This season Fitts has increased his output to 18.0 points a game.

The Buffs' sole two-year letterman, Fitts is an excellent outside shooter with good inside moves, and shoots well with either hand. His twin 26-point performances were the

second and third of his college career, and tie for second place on his high point list. Fitts hit 30 points against a top Oklahoma City crew last season for his biggest scoring night.

A dedicated player, Mickey was hospitalized with flu for the Ohio State game last year, but was back on the court two days later to score 21 points against Detroit. "He's one of the most dedicated athletes I've ever had the pleasure to work with," says Coach Jimmy Viramontes, adding, "Mickey played several games last year with injuries that would have kept many players out of the lineup."

Personel Added To City Staff

Several new people were added to the administrative staff for the City of Canyon during 1966.

D. P. Clark resigned as corporation court judge the last day of 1965 and was replaced by Burney Slack.

Gary Gwyn, who had worked with the City of Fort Worth, was named city manager after Dewey Bryant resigned. Bryant began working in February for the Public Administration Service, a private corporation.

Also added to the city staff was Alan Ratliff, former Police patrolman, who became tax assessor-collector.

PLAYER OF THE WEEK..... MICKEY FITTS

News Briefs

SOME 160 birth certificates were issued through City Hall for last year.

About 64 death certificates were issued for the same period.

THERE WAS ABOUT 403 million gallons pumped by the City Water Department for 1966. This is 14 million gallons over the 1965 figure for the 12-month period.

News Briefs 4-H Workshops — Cafeteria Menu —

FELLOWSHIP MEETING for the Plateau Baptist Association will be held Friday evening at the Southside Baptist Church of Canyon.

Rev. Doyce Whitten, pastor, urges all interested persons to attend the 7:30 p.m. meeting.

JERRY FRANZ will be guest speaker at Sunday services of the First Methodist Church of Canyon.

Franz, director of the Methodist Student Center at West Texas State University, will speak at both morning and evening services.

DR. DAVID UHL will lead a study of the "Book of Amos" for the First Baptist Church beginning Sunday evening at 7. The study series will be held each evening at 7 o'clock through Wednesday, January 11.

Canyon Capers square dance club will open the spring season with an anniversary dance Monday, January 9.

The dance will be held at Rex Reeves Elementary School all purpose room.

MRS. JOHN GARMON has been employed as secretary to Randall County Criminal District Attorney George Dowlen.

Mr. and Mrs. Garmon and their two-year-old daughter reside at 2511A 6th Ave.

He is a junior at West Texas State University.

ARGEN DRAPER, home demonstration agent for Deaf Smith County, will conduct workshops on money management for district 4-H adult leaders during January and March.

Mrs. Draper will conduct a workshop in Canyon on January 20 at 10 a.m. in the Farm Bureau Building according to Mrs. D. C. Gamble, home demonstration agent.

Sherrods Entertain

Mr. and Mrs. M. L. Sherrod entertained staff members of Buffalo Baber Shop with a barbecue supper last Wednesday evening at Sutphen's in Amarillo.

Concluding the supper, the group returned to the Sherrod home for assorted card and domino games.

Present for the occasion were Mike Hines, Thom Marshall, Cliff and Andy Sherrod, Mr. and Mrs. Jim Brinkley, Mr. and Mrs. Bob Carter, Mr. and Mrs. Carl Miller and the hosts.

Holiday guests in the home of Mr. and Mrs. W. J. Stewart have been Mrs. C. J. Fenoglio and children, Michael and Debby, from Wichita Falls; Mrs. Lorena Johns and son, David, of Lake Havasu City, Arizona; and the Ray and Reese Stewart families of Dawn.

Boatmans Have New Daughter

Captain and Mrs. Thomas Boatman of Canton, Ohio, have announced the birth of a daughter, Bonita Lynn.

The young lady is the granddaughter of Dr. and Mrs. Claude Boatman of Canyon. She arrived Dec. 26 at Canyon. Maternal grandparents are Mr. and Mrs. Henry Tessmer of Hartsville, Ohio.

Upon arrival, the young lady weighed 6 pounds, 13 ounces.

Captain Boatman has recently resigned from the active reserves. He served 2 1/2 years of duty in Okinawa and South Viet Nam as a combat pilot. He is now employed by an airline.

News Briefs

ABOUT 1,000 CASES were tried in Corporation Court last year, said Judge Burney Slack.

About 570 were docketed since Oct. 3, he said, and most of them have been tried.

The fines for the 1,000-odd cases came to more than \$11,554.

A SMALL FIRE on the roof of the A. W. Lair residence, five miles north of Canyon, was extinguished Sunday at 9 p.m.

A small piece of burning paper blown on the roof through a fireplace vent may have started the fire, said Canyon Fire Department Captain Joe Rice.

There was minor damage to wood shingles on the roof, he said.

A MEETING OF THE Amarillo Bi-County Health Board is set for tonight at 7:30 o'clock.

Slated at the Amarillo Health Department, 411 Austin, annual reports by the members will be made at the meeting, said Dr. J. Manly Bryan, chairman of the Board.

Also on the Board from Canyon is Forrest Gruner.

Holiday Social For 1925 Club

A holiday social for the 1925 Bridge Club was held recently in the home of Mrs. Virginia King Allen featuring a gift exchange, holiday refreshments and decorations, and an afternoon of bridge games.

Attending the occasion were Mesdames Allen, J. D. Barker, Roscoe Davis, Hershell Coffee, T. V. Crouse, James Cole, J. M. Daughtery, Joe Gibson, Iverson Leake, Milton Morris, Ray McReynolds, Hud Prichard, John A. Williams and John B. Wilson.

PTA Plans Community Workshops

"How Legislation Affects You and the Canyon Independent School District" will be the discussion subject for two community workshops during February sponsored by the Rex Reeves Parent-Teacher Association.

The first workshop, February 6, will involve the Panhandle Educational Services Organization with Dr. Emmitt Smith, PESO director, in charge.

Second program of the series, February 13, will feature Hueylyn Laycock, superintendent of schools, discussing the Gilmer-Aiken Legislation and L. H. Brotherton, whose topic will be the preschool program "Operation Headstart".

FD Answers City Prospects Are Discussed

The Canyon Fire Department answered about 163 calls during 1966. Only \$3,342.40 insured fire loss was reported.

Captain Joe Rice said the small amount of insured fire losses could possibly result in lower insurance rates for city residents.

"There is that possibility," Rice commented, "but the State Board of Insurance in Austin will have to make the final decision."

He said the \$3,000-odd losses were the lowest in the city since he became fire captain in 1960.

The department also answered eleven emergency unit calls during the year, ranging from a rescue in Palo Duro Canyon State Park to a dragging operation at Buffalo Lake.

The largest single piece of equipment added this year was a 1,000 gallon pumper purchased in March at a cost of \$27,857.94, Rice said.

There were three new volunteer firemen added last year, bringing the total active membership to 32. There are two paid firemen.

The Umbarger Fire Department, formed in February of 1966, was called to about 32 fires during the year.

The department, established through donations, answered 18 of the fires unassisted.

There are about 20 volunteers in the unit.

Ray Gerber is fire chief.

BY WAYNE BOARD

For 1966, Canyon had "a pretty good year", said City Manager Gary Gwyn.

There was the usual amount of regular city services offered, plus improvements in sanitation, water and street departments.

"There is no one thing the city commission did," Gwyn stated, "that stands out above everything else. Several things combined to form a progressive move forward."

Gwyn cited the application for a \$19,000 planning grant that he hopes will create a regional planning program with Amarillo.

"In years to come," he declared, "this will prove invaluable in planning ahead of our growth."

The manager also added that construction of a new \$110,000 water tower east of the city will "help our future and reinforce our present needs."

"All in all," Gwyn said, "there was an indication by the council that they want to prove their leadership in providing for the future development of Canyon."

In other major action during 1966, city dads:

Spent some \$8,000 for seal-coating streets.

Turned down a merger of their Civil Defense Unit with the Potter - Amarillo Civil Defense Unit.

Approved a new codification of ordinances.

Discussed a merger of tax department with the Canyon Independent School District taxing agency.

Decided against rezoning residential property on 1st and 2nd Ave. to commercial and industrial.

Approved a tax roll with a 15.7 per cent increase in total dollar value, spent more than \$36,000 for new trash collection equipment less \$15,000 for existing equipment sold to the city of Friona and.

"I feel that the city commission will further evaluate the possibility of participation in the economic development through the proposed Industrial Foundation or through some similar means."

As for revenue, Gwyn said there was a possibility of further discussion on a one per

cent city sales tax by the 1967 Texas Legislature. The council had earlier passed a resolution favoring the permissive tax.

Okayed direct distance dialing between Canyon and Amarillo.

As to the city's future in 1967, Gwyn said commercial building prospects "look favorable", but it appears residential construction will be very slow.

"Resolutions passed by other city councils have brought pressure on elected state officials that was not present six months ago," Gwyn explained. This may increase the likelihood of the Legislature passing a permissive sales tax bill for cities.

He said attention had brought into focus that "new" money is needed badly by larger cities and desired by smaller cities.

A new budget, to be adopted in April, will be less than the 1966 budget of \$526,782, Gwyn stated.

"At this time I don't know how much decrease in the budget we will have, but there will be no new major expenditures such as we had in 1966," Gwyn declared.

He said the council had indicated a desire to reimburse the capital reserve fund from which \$60,000 was taken to help pay for the new water tower.

Presbyterians Plan Service

First Presbyterian Church of Canyon will ordain and install several elders and deacons at the Sunday morning services according to Rev. John Lars Hamerson.

New church elders include Dr. Ples Harper, Edd Harrell, Robert Jarrett, and Charles Wright. New deacons will be Dr. C. H. Clawson, Dr. P. A. Carraway, Mrs. T. G. Hull, Jr., Ted Reid and Alfred G. Schram.

Mrs. Miller's Father Dies

Charles H. Brigham, about 80, died Sunday morning in Dennison.

Funeral services were held Tuesday in Dennison, where Mr. Brigham had made his home.

Mr. Brigham was the father of Mrs. Leroy Miller of Canyon.

Miller is custodian of the county court house here. Mrs. Miller is employed in the county tax office.

Improvements Made At Parks

The City Park and Recreation Department, formed in February of last year, made several improvements.

City Commissioner George Ritter, who was appointed recreation director, completed several projects with two West Texas State University work-study students.

During the summer, the trio planted grass, chopped weeds, and mowed the Little League, Babe Ruth and softball fields.

Care of the city parks was formerly under the guidance of Canyon businessmen.

The new department had a budget of \$2,100.

Rites Held For Former Resident

Final rites for Bonnie Clay Wesley, formerly of Canyon, were conducted Saturday, December 24, in Sacramento, California.

Mr. Wesley, who was raised in Canyon, died Wednesday, December 21. He was an ordained minister and active in the Assembly of God Church.

Survivors include his wife, Edith; a son, Danny of Sacramento, California; a daughter, Millie McEwen of Lake Tahoe, California; three sisters, three brothers and three grandchildren.

Fords Host Dinner For Children

American Legion Hall was the scene for a Christmas Day dinner given by the Guy Fords in honor of 7 of their 10 children who were home for the holidays.

Attending the dinner were the families of Mr. and Mrs. Mark Williams and Mr. and Mrs. Dan Long of Amarillo, Mr. and Mrs. Willis Hawkins and Mr. and Mrs. Guy Ford, Jr. of Hart, Mr. and Mrs. Cuby Kitchens of Hereford, Mr. and Mrs. Don Ford of Dallas, and Mr. and Mrs. Henry Crouse of Xenia, Ohio.

The Ford's children unable to attend were Mrs. Jo Ann Hill of Irving, Murray D. Ford of Crain, and Alvis 'Monk' Ford of Jal, New Mexico.

Others present for the occasion were Mrs. Mayme Ford, Dorothy Evans and Tommy J. Evans of Tulsa, G. A. Ford and Mrs. Dewey Smith of Canyon.

Thousands Visit Park

A total of 357,000 people visited Palo Duro Canyon State Park during 1966.

Of this figure, 33,000 were overnight campers and 61,000 attended "TEXAS", Panhandle Heritage Foundation production.

Peak month for attendance was July when 70,000 people visited the park. This compares with 35,000 for July 1965.

Of the 54,100 cars entering the park, 9,100 were from out of state.

Some 82,953 people registered as visitors at the Panhandle Plains Historical Museum for the year.

Boone McClure Museum director, said the 82,000-plus represented about three-fourths of the total number of visitors.

Son's Birth Announced

Mr. and Mrs. Dean Saul announce the December 31 birth of a son, Douglas Dean.

Born at University Hospital in Lubbock, the infant weighed 6 pounds 11 ounces on arrival and will share the birthdate with his father.

Grandparents are Mr. and Mrs. Lee Harlan of Canyon and Mrs. H. G. Persons of Amarillo is the great-grandmother.

Paternal grandparents are Mr. and Mrs. Kelly Coplin of Hereford.

Eagles Second In Tournament

The Canyon Eagles swept to a 61-54 victory over Phillips before falling 71-52 to Borger in the finals of the Borger Tournament.

The Eagles carried away the second place trophy as a result of their loss in the finals, the third Canyon loss to Borger this season.

Ricky Widick paced the Canyon attack with 14 points, and was complimented by Joe Moore's 13 tallies, but the Bulldogs were simply too much for the Eagles.

"Widick did a good job in directing the offense," noted Eagle Coach Tom Buchanan, "but we just played an overall bad game and made too many fouls."

Canyon defeated the Phillips Blackhawks in their initial game 61-54. Moore paved the way with 24 points and Mike Barnes hit for 14 as the Eagles found shots hard to miss in posting a 63% field goal accuracy mark. The Eagles held quarter leads of 21-11, 32-24, 45-34, and 61-54.

Filling out the Canyon scoring in the Phillips tilt were Jack

Swartzell and Richard Gardner with five points each, Ricky Widick and Howard Gidden with four each, Galen Davis with three, and Robert Olson with two.

Against the Blackhawks, Canyon hit better on field goals than on free throws, which is a rather unique statistical accomplishment. The Eagles netted 63% of their field goals and 58.6% of their charity throws. Phillips hit but 33% from the field while connecting 66.7% of the time from the foul line.

In the finals loss to Borger, those following Widick and Moore in the Canyon scoring were Howard Gidden with eight points, Davis with five, Gardner with four, and Swartzell, Olson, Barnes and Don Howard with two each.

Canyon hit 14 of 19 free throws in the finals, but Eagle fouls allowed Borger to shoot 30 free shots, of which they hit 22.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

News Briefs

ABOUT 147 TRAFFIC accidents were investigated by the Canyon Police Department last year, said Chief L. D. Caldwell. There were no fatalities.

There were some 812 citations issued for moving violations and 1,028 complaints were received and answered.

Added during 1965 as replacements for other officers who resigned were Roy Adams, Dale Fortune, Skip Kendrick and Calvin Costley.

Glen Gleghorn was named animal warden during the year.

Spike Lowes is president of the organization and Jack Jennings is fire marshal.

EYE-STRAIN CAN CAUSE HEADACHES

Authorities have reported that some headaches are due to eye-strain and caused by the excessive effort necessary to overcome existing visual disturbances. The effort of seeing with poor, uncorrected vision can lead to fatigue, irritability and upset nerves.

About sixty-five per cent have visual troubles. Few people over forty have perfect vision. It is wise to have an eye examination about every two years. When medication is indicated we can fill any prescription. After using any eye preparation it is important the container be immediately closed to prevent dangerous contamination.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?
